

D. White Consultants Capability Statement

Company Overview: D. White Nurse Consultants, LLC is a nurse practitioner-led medical consulting firm specializing in medical record review, case chronology, and expert causation reporting for the legal and insurance industries. We deliver HIPAA-compliant, evidence-based medical summaries and litigation support tailored to personal injury, tort, and complex claims. Based in Georgia with a fully remote infrastructure, we serve clients nationwide.

Core Services:

- Medical Record Review & Summaries
- Causation Analysis Reports
- Chronological Treatment Timelines
- Red Flag Detection & Diagnostic Insights
- Claims Support for Insurers & Legal Counsel
- Expert Consulting for Case Strategy & Litigation Prep

Key Differentiators:

- Led by licensed Nurse Practitioners, not administrative staff or RNs
- HIPAA-compliant processes with encrypted data storage
- Remote national service model with fast turnarounds (10–15 business days)
- Team includes certified personal injury paralegal, insurance adjuster, and medical specialists
- Proven success with Chubb Insurance and McGlinchey Law Firm

Past Performance:

- Chubb Insurance: Delivered record reviews and causation assessments on complex injury claims
- McGlinchey Law: Provided legal teams with detailed timelines and medical facts for litigation strategy
